

Homeschool Start Checklist!

- Check your state's Homeschool laws
- Write down the "pros" & "cons" of Homeschool
- Estimate supply & overall Homeschool cost
- Find cover/umbrella school or start own
(see state laws)
- Make list of subjects to cover for each student
- Compare Curriculum prices online & read reviews
- Order Curriculum
- List Curriculum being used for each student
- Divide book (# of pages or lessons) by # of
school days to find daily/weekly expectations
- Make a daily schedule with # of pages/lessons to
complete per day/week
- Find & connect with other Homeschool families
- Organize books/subjects & label with daily
expectations
- Get Started! Keep great records: Attendance, Daily
Work Completed & Field Trips
- Turn in documents/records & file for the future
